PROFESSIONAL PROFILE

Multidisciplinary professional with a background in graphic design and web development, focused on creating digital products through coherent, fluid design across all applications, as well as implementing technical requirements. Having knowledge in both professional fields allows me to communicate efficiently, based not only on objectives but also on requirements and usability. I am currently looking for new professional challenges where I can connect both aspects of my career and become part of a creative team.

KEY SKILLS

Figma (prototyping and collaborative design)

HTML5, CSS3 and JavaScript

Angular & React

Adobe Creative Cloud (Photoshop, Illustrator, InDesign and After Effects)

Branding and digital creatives (banners, mockups, social media)

Semantic HTML SEO

PROFESSIONAL EXPERIENCE

Web Designer – SIWEB (Jul 2024 – Present)

Design and development of web pages from gathering requirements with the client through to project publication (domain purchase, SSL activation, connecting IP with company servers). Defining basic SEO for the website according to the semantic HTML of each page. Use of tools such as Figma, Adobe Illustrator & Photoshop to create images and define the design of each website.

Freelance Graphic Designer (Jun 2020 – 2024)

As a freelance designer, I worked on developing the design system of different brands, designing the visual identity of various companies as well as both print and digital applications (e-books, catalogues, presentations, billboards, social media creatives, etc.). I also worked as an external designer for companies such as Exlabesa, where I had to adapt to their already-defined brand image to help them develop commercial materials such as catalogues, billboards, and floor-plan illustrations.

Graphic Designer – Cen Palabras Marketing (Mar 2019 – Jun 2020)

Design of web pages, visual identity, and digital creatives for advertising campaigns and social media. Design of pieces for online and offline media. Photography, image editing, and digital retouching with Adobe Photoshop.
